Cost and Timeline

We can an affiliate system for you in \$300 only. And it will be a dedicated solution for your business. You will have your own database, your own system and your own domain. Cost and time is likely to be higher if you come with a lot of custom requirements.

Who will do the Ongoing Maintenance?

There is always the flip side of the coin. It is true that the system automates a lot of business processes and saves time, year after year but the system itself does not run automatically. With time business logic changes and that needs to be incorporated. There are some routine jobs to keep the system up and up to date. Someone must there to maintain the system.

We will take all the pain on your behalf. We can take care of the hosting and backup parts too. All you have to a monthly contract with us and include the tech works that you want leave to our reliable hands. We will simply estimate the monthly works and suggest you to hire accordingly. You do not need to pay for a full dedicated person when you need a part time hiring for 15 hours a month.

Why Hire From Us?

There are solid reasons in its favour. Here are some of those

1. We **guarantee quality coding**. Any new project code developed by our developers will contain architecture based, modular, convention maintained, non redundant and future proof (easy to add new features and modify and existing feature) codes and database.
2. We will arrange for a **free pre-delivery quality review** for any application development developed by our developers - it removes the chances of common errors generally ignored by developers
3. We provide **personalised service**. We eat that much we can chew. Because we always deliver more than you pay. So clients stay with us for years.
4. **100% assurance for future support**. We will provide support for any project done by our developers. We will not run away. We may quarrel with you on any dispute but we will never be dishonest with you.
5. You get RP ready modules and library codes just free and have **lifetime licence to use, edit on any number of domains**. These have been developed and tested over years. We only charge for the developer's hours, not for the developed modules.
6. **Free help from 5 to 15 years experts** when he is stuck or he requires experts' opinions - Saves time and ensures high quality. You have options to share your new ideas on web business or web marketing on your business with highly experienced people in the industry at no extra cost
7. **Minimum possible rates** in comparison to the quality of service we provide. It is very hard to find another developer company who will deliver you this quality at this price with a future support assurance.
8. You have **no risk if a developer leaves the job**. We give a replacement developer and also waive the 30% of the first month cost to let him warm up with your projects.
9. You can **cancel the deal anytime** in first 15 days. No hassle, we will refund the unused money deducting just money transfer fees.
10. We will **make 30% off** in the first month on any dedicated/part dedicated deal if you just complete two month with the new developer.
